In the poem A Happy Child, what could happen to make the child unhappy while playing?

**ENGLISH LANGUAGE**

**The English Alphabets**

In real life we know that the cat runs after the mouse.

Will it be same in alphabetical order?

Prove your answer by arranging them in alphabetical order.

Add a letter to a musical instrument in the passage (comprehension) and change it to a body part.

Which double letter words (any three) help to keep the environment cool?

**Take the turtle to the sea by colouring the words beginning with vowels:**
