Case Study

Read the passage and carefully answer the questions :

Amit asked his mom if he could ride his bike to the park. "As long as you wear your helmet when you are riding", she said.

When Amit got to the park it was filled with people holding garbage bags. A lot of his friends were there and so were some of his teachers. His friend Babita said "Everyone is pitching in and cleaning the park today." She asked Amit if he would help. Amit said, "Sure," and asked for a garbage bag. There was garbage everywhere. Amit picked up candy wrappers, juice pouches, newspapers and apple cores. It was really gross. After an hour he had filled three garbage bags. His friends filled a lot of garbage bags too. When everyone was finished, one of the teachers loaded the garbage bags into his pick-up truck to take them to the dump. The park looked great. They put signs around the park that read, "Please place garbage in garbage cans and help to keep the park clean."
