**SUBJECT:- SOCIAL SCIENCE CLASS:- VI**

**CIVICS- WHAT IS GOVERNMENT?**

**CASE STUDY:-**

Dictatorship is a form of government in which complete power rest with one individual, the dictator. The dictator rules according to his or her own wish and whims. He or she is neither affected by the wishes of the people nor the laws of the country. Dictatorship is generally oppressive and the people suffer much due to the high handedness of the ruler.

Adolf Hitler of Germany was one of the most notorious dictators in history.
