

SATISH CHANDRA MEMORIAL SCHOOL

CLASS VIII

CASE STUDY 1

Tonu runs a chai shop near the entrance of local market. With the decrease in prices of tea by 15% Tonu, the chaiwallah, was able to buy 2 kg more of tea with the same Rs 450 that he spent each month on buying tea leaves for his chai shop.

- a) What was the reduced price of tea?
- b) What was the original price of tea?
